

Mission Statement

Our mission is to promote, progress and enhance the wellbeing of unionised NDT and heat treat contractors and industry in Canada by carrying out collective bargaining, collaborating with the union on employee training, health and welfare of employees and the promoting a safety culture in the Nondestructive Testing and Heat Treating industry in Canada.

We strive to provide the highest quality cost effective services to our clients to ensure the safe construction and operation of industrial plants, infrastructure and products that are code compliant by providing the services of certified personnel while respecting the integrity of our employees, clients and associates.
